

NOTICE OF PERFORMER APPLICATION

July 25, 2008

The Tennessee Pollution Prevention Partnership (TP3) is considering Babcock & Wilcox Technical Services Y-12 (DOE B&W Y-12) and Frito-Lay Fayetteville for **TP3 Performer** status. Performer applications from these two members for this top level in the Partnership indicate their commitment to pollution prevention and continual improvement to the environment.

This announcement confirms the meeting and offers the opportunity for public comment. The TP3 Performer Level Review Panel (PLRP) will evaluate DOE B&W Y-12 and Frito-Lay Fayetteville on August 27, 2008. Comments regarding DOE B&W Y-12 and Frito-Lay Fayetteville may be submitted by E-mail to pollution.prevention@state.tn.us and must be received by August 13, 2008. TP3 staff will research the comments, communicate with the Performer applicant, and respond to comments before the Performer Level Review Panel meeting on August 27, 2008.
